

RVITM/594/2024-2025

March 12, 2025

Respected Sir/Madam,

**Sub: Invitation for student participation in 24-Hour National Level Hackathon, FantomCode '25.**

Greetings from RV Institute of Technology and Management, Bengaluru. We are pleased to announce a 24-Hour Hackathon Event, a platform designed to inspire creativity, collaboration, and innovation among students. This event will provide participants with the opportunity to work on real-world challenges, build innovative solutions, and showcase their skills to industry experts.

We kindly request you to encourage and depute students from your esteemed institution to participate in this engaging event. Their involvement will enhance their technical expertise, teamwork abilities, and problem-solving skills, while also providing exposure to cutting-edge technologies.

**Event Details:**

Event Name: FantomCode 2025.

Theme: Open Innovation
