TRADE NEGOTIATIONS

Rules and Regulations:

Objective:

- Each BRICS country delegation (Brazil, Russia, India, China, South Africa) should aim to maximize its economic benefits by keeping in mind the current policies of the respective countries on the given themes.

Structure:

1. Team Formation:

- It is an individual registration event
- Each country will have 5 members as its delegation.
- Each individual while registering will be asked of his/her choice of country and would be allotted on a “First come, First serve” basis.
- Once the slots for a particular country are filled, the remaining participants who opted for that particular country will be allotted a different country which has a vacancy.
- All the three members in a delegation should work together as a team and speak individually while putting forth their initiatives and solutions.
- It should be noted that the delegation and speaker should put forth their ideas and initiatives only in relation with the current real-world policies and standpoints of their respective country.
- In case we receive higher admission of participants, we will introduce new BRICS member countries’ delegations

2. Themes:

- De-Dollarisation and Global Payment Channel
- Intra Forum connectivity
