ABOUT US

Sanjivani College of Engineering (An Autonomous Institute), Kopargaon is one among the premier technical institutes in Maharashtra state in the un-aided sector. Established in 1983 by the Sanjivani Rural Educational Society under the charismatic leadership of Shri. Shankarrao G. Kolhe, the Institute had its vision for social transformation and , upliftment of rural masses through education, training and research.

VISION

To Develop World Class Professionals through Quality Education.

MISSION

To create Academic Excellence in the field of Engineering and Management through Education, Training and Research to improve quality of life of people.

ABOUT TECH-SANJIVANI

TECH SANJIVANI is not just an event—it's a celebration of ingenuity, collaboration, and the spirit of innovation. With a diverse array of competitions and activities, this techfest brings together bright minds from across disciplines to push boundaries, exchange ideas, and shape the future of technology. Dive into this electrifying experience and leave inspired!

LOCATION

The Institute is located about 0.5 Km from Kopargaon railway station which is on the Manmad-Daund-Pune section of Central Railway. It is 40 Km from Manmad junction (on New Delhi-Itarasi-Mumbai Main line) which is very well connected to all major cities of India. The Holy Shrine of Shri Saibaba of Shirdi is about 15 Km from the Institute.
